1. Will the free gift be shipped with the order?

Once your order has been processed, a free gift coupon will be generated and mailed to the customer (applicant). If the customer (applicant) is located outside of the United States and Canada, it will be emailed to the email address indicated on the order form. The customer (applicant) may redeem their free gift coupon prior to the expiration date.

2. The free gift coupon has an expiration date of **6 months** from the issue date.

3. How do I redeem my free gift coupon?

The free gift coupon can be **redeemed by mail, email or fax**. It will have its own unique coupon number, which will also be the Richway Invoice (RI) number. Additional instructions will be provided on the coupon.

4. Will there be a shipping fee for USA, Canada and International customers?

Shipping will be free for customers located in USA and Canada.

International customers will incur a shipping fee. **To request a quote:** provide the city and postal code to our friendly Shipping Department at shippingstatus@richwayusa.com

5. Will international customers (outside of the United States) get charged tax and customs/duties for the free gift?

Yes, depending on the import country's regulations.

For example, in Canada, items sent from businesses do not qualify for a gift tax exemption. The free gift would incur tax and customs/duties to the gift recipient. **Please check with your local customs department for more information.**

6. Will customers still receive the free gift coupon if the order is cancelled, refused or returned?

If an order is cancelled, refused or returned, the free gift coupon **will be invalid** and cannot be redeemed for the free product.

7. Will the free gift come with a warranty?

The Amethyst Pillow and Rejuvena 7000SL come with the standard 3-year warranty. The Quantum Energy Car Seat, Pure C Serum and Detoxi *do not* come with a warranty.

8. Will customers be able to exchange the free gift?

Free gifts cannot be exchanged. This means the warranty cannot be transferred to someone else.

9. Since the Quantum Energy Car Seats are limited in quantity, will we be notified once there's no remaining inventory?

Yes, an announcement will be made on the Richway BackOffice and Richway Bulletin Board when inventory is no longer available. We will also be sending out announcements as inventory nears depletion through those channels. Once stock of the Quantum Energy
